### **Suspicious Event on Branch Road**

On November 9, 2008 at approximately 12:11 a.m. units from the Vienna Police Department were called to the area of Branch Road near Cabin Road, SE in Vienna. A citizen had reported a suspicious event which occurred while driving.

The citizen stated that she and her husband were driving southbound along Branch Road and had slowed for a speed hump. As they slowed, an unknown black male approached their vehicle. After noticing the male subject near their vehicle, they sped off as they thought it might have been some sort of attempted criminal act. Looking back as they drove away, the citizen observed several additional males enter the roadway and all get in to a white sedan which drove off.

Several Vienna Police officers responded and checked the area to no avail. A follow up interview was conducted with the complainant by Vienna Police detectives and they were able to determine that the events did not rise to the level of a criminal act.

Anyone with any additional information on this or any similar incident is asked to call Detective Scott Leroux at 703-255-6382.
