65TH ANNUAL HALLOWEEN PARADE: PARADE DEADLINE IS SEPTEMBER 30

Friday, September 30, is the entry deadline for the 65th annual Vienna Halloween Parade. Entry applications and information about the parade are available at www.viennava.gov, call 703-255-6360 to have one mailed to you, or pick one up from the Community Center. Since space is limited to the first 90 approved applicants, the parade may fill before the entry deadline.

The parade will step off at 7 p.m., sharp on Wednesday, October 26, on Maple Avenue. The theme of this year's parade is "Celebrating 65 Years of Tradition: The Vienna Halloween Parade through the Decades, 1946-2011." The parade will pay homage to longtime residents and businesses including Money & King Funeral Home, Vienna Rexall Drug Store, Vienna Inn and Cuppett Performing Arts Center. Long-standing Town of Vienna residents who have had significant involvement in the development of the Halloween Parade will also be recognized during this year's parade.

Become a Parade Sponsor

Invest in a memory! Become a sponsor for the Halloween Parade and help maintain the parade's excellent level of entertainment. Thrill your friends, kids, grandchildren, office mates or potential clients by putting your name (or theirs!) in front of thousands of parade watchers. All sponsor donations go directly to this and future Halloween parades, a not-for-profit community project. For more information, call the Vienna-Tysons Regional Chamber of Commerce at 703-281-1333 or e-mail parade chairman Rebecca Diamond at rebecca@rebeccadiamondmarketing.com.

RECYCLE MOTOR OIL, ANTIFREEZE, BATTERIES

The next quarterly recycling day for used motor oil, antifreeze and car batteries is Saturday, September 10, from 8 a.m. to 2 p.m. at Northside Property Yard, 600 Mill St., N.E. (entrance at the dead end of the street). This service of the Public Works Department provides citizens with a convenient and environmentally responsible way to dispose of vehicle waste products. For more information, call 703-255-6380.

Town Hall will be closed on Monday, September 5, in recognition of Labor Day. Trash will be collected as usual for residents on the Monday collection route.

COMMENT FROM THE COUNCIL TABLE

Celebrating the Volunteer Spirit

By Michael J. Polychrones, Vienna Town Councilmember

Over the summer, I, along with other members of Council, had the enjoyable opportunity to attend an event hosted by the Vienna Volunteer Fire Department. The Vienna Volunteer Fire Department was honoring longtime Vienna resident Simone "Sam" Savia for his seventy (70) years of service to Company 2. That's not a typo; 70 years! Both the Town of Vienna and Fairfax County presented Mr. Savia with celebratory proclamations in addition to the accolades and memorabilia from the Fire Department. I was awe struck at the level of service and commitment to helping others for that long and personally congratulated my friend Sam Savia for his dedication and service to others. Mr. Savia's service to others doesn't stop with protecting peoples' lives and property; Mr Savia also serves the less fortunate as a member of the Vienna Host Lions Club, which assists those with sight and hearing difficulties. It is truly amazing when you consider the number of people that benefited from Sam's service. The event was extremely well-deserved and I was honored to have been invited.

In all of the fanfare of celebrating Sam's volunteer service, it struck me that

without Sam and others like him, we would not have the community and character that we enjoy as residents of Vienna. Those of us who run for council always talk about working to maintain Vienna's character or keeping that small town community spirit that we have. It is a big goal, yet it is the main reason many of us choose to live here. So it is incumbent on all of us as residents to do what we can, when we can, to keep the community spirit alive. Having an organized government with seven neighbors elected to oversee it is just a small part of what it takes to create and maintain the vibrant community that is Vienna. It takes everyone contributing a part of their time and talents to the betterment of the community. Every contribution, no matter how big or small, is important and enables everyone to participate in the process.

Mr. Savia's 70 years of service is a definite celebration that all should embrace. Knowing Sam, he is probably wondering what all the fuss was about, which speaks to the humble well-serving person he is. We need to thank all of those who volunteer in our community for sacrificing their time and offering their talents in service of

others and making life a little better for everyone. I am reminded of something that my late grandmother said to me a few years ago, "We were put on earth to love and serve one another and it is only by serving and helping others do we truly survive and prosper!"

I thank all of the people who volunteer their time everyday to making our community a better place because without you, Vienna wouldn't have the community spirit we all enjoy. Enjoy the coming fall season.

2012 CALENDAR DEADLINE

Attention Vienna non-profit organizations!

September 1 is the deadline to submit information about your community events for next year to be published in the 2012 Town Calendar.

Address calendar items to the Public Information Office, Vienna Town Hall, 127 Center St., S, Vienna, VA 22180, fax 703-255-5722 or e-mail pio@viennava.gov.

TMSAMS PUBLIC MEETING: SEPT. 29

The final Tysons Metrorail Station Access Management Study (TMSAMS) public meeting will be held on Thursday, September 29, 7 p.m. to 9 p.m. at Freedom Hill Elementary School, 1945 Lord Fairfax Road, Vienna, VA. Fairfax County staff will present the results of the TMSAMS' public outreach efforts.

Information on TMSAMS can be found at www.fairfaxcounty.gov/fcdot/tmsams/.

SPECIAL PICKUP DEADLINE: OCTOBER 1

Town of Vienna residents have until Saturday, October 1, to request a Special Pickup for this year. Residents must call no later than October 1, in order to ensure receipt of a Special Pickup this year. No orders for Special Pickups will be taken from October through January as leaf collection will be performed during these months.

To dispose of furniture, building materials, brush and other debris not included in regular trash collection, residents can order a Special Pickup between February 1 and October 1 of each year. Place discards at the curbside, then call the Special Pickup hotline at 703-255-5727 and leave the following information: your name, address, daytime phone number and type of debris. Special Pickups can also be ordered online at www.viennava.gov/Town_Services/trash.htm#pickups.

BANNER APPLICATIONS AVAILABLE OCTOBER 3

Applications to display banners across Maple Avenue in 2012 will be available in the Public Works Department at Town Hall beginning Monday, October 3. Applications may be submitted by non-profit community organizations anytime through November. Organizations displaying banners this year will automatically receive application forms in the mail. Banner space will be awarded in December via a lottery. Each banner will be displayed for two weeks. For more information, call 703-255-6383.

SPECIAL PICKUP GUIDELINES

Please order your Special Pickup as soon as debris is placed at the curbside. Piles of trash that go uncollected for weeks on end because of residents' failure to call for a Special Pickup are an eyesore and a potential health and safety hazard. It is illegal to place debris in the public right-of-way without arranging for a Special Pickup. When an illegal pile of trash is spotted or reported to Town personnel, the resident will receive a notice to call for a Special Pickup within 48 hours. If no action is taken by the resident after the notice is issued, the Town will seek legal remedy to gain compliance.

Each residence is allowed two free Special Pickup loads each year. Additional pickups may be arranged at a charge of \$75 per load for all items except brush; additional loads of brush will be charged at \$25 each. Each Special Pickup is limited to one single-axle dump truck load (about the size of a Volkswagon "beetle.") Special Pickups are for the sole use of the property where the trash has been generated and cannot be transferred to another property in the Town. All items must be placed at the curb or edge of pavement in front of your property. Discards should not be placed so that they block the sidewalk or street, under power lines or trees, or close to shrubs, walls or vehicles. Place all piles in an open area accessible to a crane.

COMMUNITY ENHANCEMENT COMMISSION'S NATIVE PLANT SALE

Saturday, September 17
9 a.m. - 12 noon

Community Center Parking Lot
120 Cherry Street, SE

Large selection of native plants for the fall planting season at great prices! Bring bags to carry your plants home. Cash or check only. For more information contact Cathy Salgado at csalgado@viennava.gov.

NO CURB PAINTING ALLOWED

Some residents have recently received offers to paint their house numbers on the curb. Not only have these solicitors failed to apply for a license, but they cannot legally paint the curb because it is technically Town property. If you receive such a solicitation, please call the Police Department's non-emergency number at 703-255-6366.

Residents should display large house numbers at least five feet above the ground near the entrance or garage door that faces the street. This will ensure the numbers can be seen on the darkest night, in the worst of weather and not be hidden by foliage or parked vehicles.

VIENNA SUSTAINABLE HOME AND GARDEN TOUR

By Susan Stillman, Community Enhancement Commission, Chair

For a little over a year the Community Enhancement Commission (CEC) has been operating with a new mandate focused on sustainability. I've been so impressed with the support we've received from the Town Council, the Director of Parks and Recreation and the passion of my fellow CEC members in their various areas of interest: native gardening, energy efficiency, zero waste, recycling and related topics.

On Sunday, September 18, from 12 noon to 4 p.m. the CEC will host Vienna's first Sustainable Home and Garden Tour. The most exciting

thing about organizing this tour is the enthusiasm of our neighbors for adopting sustainable choices. Some have been quietly reworking their gardens with native plants to support the birds and butterflies that we all love to see. Some Viennans have invested in highly efficient geothermal HVAC systems to cut their use of fossil fuels. Certain builders are building homes to exceed recognized efficiency standards, thus raising the value of these homes while reducing their operating costs and their carbon footprint. Other neighbors have permeable driveways constructed to reduce run off in heavy rainstorms

to help protect the health of local streams and the Chesapeake Bay.

Many of our neighbors are investing in our community through long-term sustainable choices and they are very enthusiastic about sharing their experiences with you. I invite you to join me on the 18th and see these very interesting improvements that you may want to make to your little corner of Vienna.

See page 7 to view a map and learn more about the homes and gardens showcased on the tour!

6TH ANNUAL CHILDHOOD CANCER WALK AND FAMILY FUN DAY

Saturday, September 24
9:00 a.m.-12:30 p.m.

The Optimist Club of Greater Vienna will hold its sixth annual Walk and Family Fun Day for local area children diagnosed with cancer and their

families on Saturday, September 24, from 9:00 a.m. to 12:30 p.m. at the Vienna Town Green at Maple Avenue East and Mill Street. A fundraising walk with refreshments donated by local vendors, a face painter and raffle will be part of the event. A moon bounce, balloon artist, story lady, dunk tank and a silent auction are attractions this year for the whole family

Growing Hope is a local nonprofit organization founded in 1998 by a group of parents coping with the devastating effects of cancer on their children and their families. Vienna Optimists contribute all event proceeds to *Growing Hope* and to the pediatric oncology research program at Johns Hopkins University and Medical Center. Over the past five years the Optimist Club of Greater Vienna has raised over \$185,000 for childhood cancer research and assistance to families of children with cancer.

Come join us for our 2011 Walk and Family Fun Day for *Growing Hope* and support this wonderful cause. For more information visit www.optimistclubofgreatervienna.org.

Vienna Home and Garden Tour: Focus on Sustainability

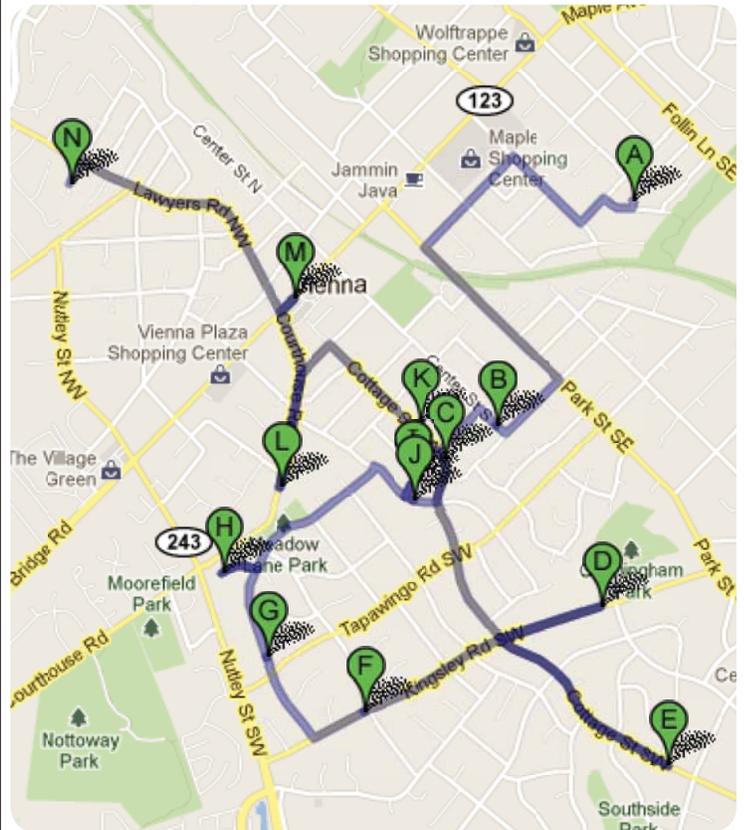

Sunday, September 18

12 noon - 4 p.m.

Welcome to the first Vienna Home and Garden Tour: Focus on Sustainability! Fourteen of your neighbors have opened their homes and gardens to you to show and discuss the modifications that they have made to their homes and/or gardens to make Vienna a more sustainable community. Visit all or some of them to learn more about energy efficiency, water conservation, native plants and gardening.

We hope you will join us to make this tour a big success and that this will just be the first of many years in which people will take their time to show you what they have accomplished. Get inspired and next year, be one of the folks showing off what you have done to improve your piece of Vienna and to make it a more sustainable community!

Parking available at the Vienna Community Center. Visitors are encouraged to bike or walk the tour!

THIS MONTH IN HISTORY

From the Vienna Newsletter Archives

September 2001: A party to celebrate the completion of the mural near the Vienna Railroad Station will be held at 7 p.m., Wednesday, September 5, at the mural. The mural, painted on the rear wall of the building on Mill Street, NE is 25 feet tall and 108 feet long. It faces the W&OD Regional Trail in the heart of Vienna, near the old train station and the red caboose, and highlights the role of the railroad in Vienna's history.

September 1991: The Town Council will hold a public hearing at its September 16 meeting on a proposal to reconstruct Beulah Road. The Virginia Department of Transportation has proposed that the road be reconstructed with a 33-foot paved width; however, VDOT officials have indicated that the Town could use a 30-foot width if it wishes.

September 1981: At its September 14 meeting, the Town Council directed the Transportation Safety Commission to undertake a review of intersections controlled by stop signs, taking into consideration both the usual warrants for traffic control devices and local characteristics of each intersection. The Commission is to report to council within six months with recommendations as to which, if any, stop signs should be downgraded from 4-way or 3-way to 2-way or less, and from 2-way or 1-way to "yield" or less.

September 1971: Recently, Mayor Wilson organized a Mayor's Advisory Committee made up of representatives from all the different organizations in town. At the first meeting of this group, Mr. William Nutter, representing the Vienna Lions Club, explained the details of planning for a Vienna Community Center and asked the other groups represented to work with the Lions Club on this much needed recreational facility.
