RECREATION FOR THE CITIZENS OF VIENNA:

The Town of Vienna has employed Mr. William F. Costolo as a part-time Recreation Director. He will organize and direct recreational activities for the children, teenagers, and adults of Vienna. The purpose of this Newsletter is to provide general information about the different recreation programs available this summer. The Recreation Director has explained the details of these programs on the following pages.

South Carolina Park and Ohio Park have been developed for recreational activities and now the Councilmen and I extend a cordial invitation to the citizens of Vienna to participate in the summer program.

Additional facilities are now under construction. They are: tennis courts at Ohio Park, restroom and storage facilities at South Carolina Park, etc. These will be available for summer use. Other improvements are being considered.

I strongly urge each of you to find your place in this Community Recreation Program.

Sincerely,

  
GUY M. WILSON  
Mayor

Town of Vienna, Virginia  
P. O. Box 127, Vienna, Va.

SOUTH CAROLINA PARK (formerly Meadow Lane Park)

A summer playground program will be held from June 25 through August 10 from 9:00 A.M. to 9:00 P.M. A pre-school playground will be scheduled on Tuesday and Thursday mornings for children 3 to 5 years of age. Craft materials will be made available and a Recreation Worker will be on the playground to direct this program. Additional mothers' help will be necessary and it is hoped that they will volunteer to assist.

A regular program will be conducted at the playground with activities that include craft instruction, low organized games, special events, sports and athletics, etc., Monday through Friday.

Teen-Agers and adults will find space and equipment available in the late afternoon and early evening for tennis, volleyball leagues, basketball leagues, and softball leagues. Tournaments will be held at different times during the summer. Tennis, horse-shoe, chess, checker, croquet, badminton, and table tennis tournaments for children and adults are being planned.

The park will also be open for large church and civic groups at this time, and recreation equipment and facilities will be made available for the citizens of Vienna. There will be no charge for this service unless held when the park is not normally open for use.

Please stop by the park and discuss activities which you would like made available. Perhaps others have the same interest.

Wednesday night has been set aside for Family Night, so come with your family for a picnic, games, athletics, and a free outdoor movie.
