TOWN BUSINESS MATTERS

Welcome to Town Business Matters – Let’s connect!

On behalf of the Town of Vienna, the Town Business Liaison Committee (TBLC) proudly presents this new online platform as a means to directly communicate with licensed businesses within the Town of Vienna. The TBLC will use this e-newsletter to inform you about important Town-business matters, community events, and business-building opportunities. We will keep it short and sweet and plan to limit our communications to approximately once a month.

You are receiving this initial email/invitation as a licensed Town of Vienna business. Please know that you may unsubscribe any time you wish simply by clicking the “opt out” link at the bottom of this – and subsequent - emails.

Vienna businesses, we want to know what you think!

Along with your business license renewal (which is due March 1!), the TBLC mailed out a **business survey**. The purpose of this survey is to collect feedback from local businesses and help the Town better understand the needs of the local business community. We want to know how satisfied you are with operating a business in the Town of Vienna, what issues you may be facing, and what would make operating your business in Vienna better.

The survey takes only about **10 minutes or less to complete**. You can still complete and mail in the paper version to:
