## TOWN BUSINESS MATTERS

### Maple Ave repaving starts next week

Vienna drivers, beware - and be patient, please! Curb and gutter repair and repaving along Maple Avenue will commence May 22. The project is expected to take about 90 days and will involve day and

night work as well as lane closures in work zones. All businesses will remain accessible throughout the project. Click [here](#) for more details.

### Cheers for Peers

Congratulations to **SourceCore Studio**, named Best Dance Workout in the June/Best of NoVa 2017 issue of *Northern Virginia Magazine!*

We'd love to share your good news and give you and other community-builders a big, happy shout-out here! Please send a brief email with information to TBLC Chair [Friderike Butler](#).

### Help us tell Vienna's story

The Town of Vienna is working to create a clear image or brand for the Town - a strong unified message that residents and businesses can get behind and that can be used to strengthen Vienna's sense of community as well as to market the Town. As part of this process, we invite **you** to share your thoughts about the community. Help us ensure that Vienna's brand rings true by participating in this [brief online survey](#). The survey will remain open through June 6.

### Congratulations to Carole Wolfand winner Jeff Bollettino

The TBLC was proud to present the **Carole Wolfand Award for Community Service** to Jeff Bollettino, owner of the School of Rock, at the April 18 Mayor's Volunteer Reception. Bollettino was recognized for his countless volunteer hours organizing and managing performance stages at many of the Town's major events.

### Chillin' champions needed

The Town's Parks and Recreation Department is looking for community-minded Chillin' Champs, local businesses who are willing to sponsor a 2017 Chillin' on Church event, held the third Friday of each month June-

September. For a \$750 sponsorship (per event), your business will receive recognition on the Chillin' on Church webpage and a banner with your logo on stage. Interested? Email [Leslie Herman](#) or call 703-255-6356.
