### Be recognized for your sustainable heroics

Think your business is green enough to be certified as sustainable? Good, now get recognized for it!

The Community Enhancement Commission's Vienna Sustainability Challenge encourages Vienna businesses and non-profits to self-certify as "sustainable" based on points earned from an environmental checklist of business practices.

Early this year [seven businesses](#) were recognized by Town Council for their green efforts from last fall's challenge. August 1 is the deadline to get certified, and the environmental checklist can be found on the [Town website](#).

Please contact [Desiree Di Mauro](#) for more info.
