

CHURCH STREET SIDEWALK CONSTRUCTION

The Town of Vienna will install new curb/gutter and sidewalk as well as handicap ramps and crosswalks at street intersections along Church Street NE, from 352 Church Street to Beulah Road. Construction will start November 7 and is anticipated to last up to 90 days, assuming no major delays.

Important information

Road closures

- Church Street will be closed to through traffic from Glyndon Street to Beulah Road from 9:30 am to 3 pm Monday-Friday beginning November 9 through the second week of December. Residents on Church Street will have access to their driveways from the intersection of Church and Glyndon streets.
- No work will be undertaken weekends or holidays.

Utility disruptions

- NO DISRUPTION of utility services is anticipated. Any unexpected utility disruptions will be restored as quickly as possible.

Town of Vienna Construction Management

- Luis Blandon will manage and oversee daily construction activities for the Town of Vienna. All project and construction related questions should be directed to:
