### **Vienna Police Pursue Stolen Auto**

On December 01, 2025 at approximately 1:55 p.m., Vienna Police responded to the Giant parking lot for a reported shoplifting of approximately \$1,000 of groceries. Two unknown black males were reportedly placing the groceries into the back of a white Honda Pilot. While officers were responding, it was confirmed that the Honda Pilot was stolen. As police responded, at least one suspect got into the stolen vehicle with the hatchback still open and disregarded the officers' signal to stop. Officers pursued the vehicle northbound on Route 123 into Tyson's Corner where the suspect sideswiped at least one other citizen's vehicle. There were no reported injuries. The suspect vehicle continued onto southbound 495 where the pursuit was terminated.

The Vienna Police Department is looking for any information related to the white Honda Pilot driving with the hatchback open or the identification of the two unknown suspects (picture of one suspect during theft attached).
