Section XII - Outside Meetings with the Public or Applicants, Avoidance of Meetings when the Commission is not Assembled

- A. Meeting with Applicants and Town Residents and Business Interests:

A public meeting of the Planning Commission is the optimal setting for the receipt of input from the public about any pending application within the Commission's jurisdiction. However, if an individual member believes it is necessary to meet with the public or applicants about a matter pending before the Planning Commission, such a meeting is permitted pursuant to the guidelines set forth below.

1. All meetings shall be conducted pursuant to [Virginia Code Section 2.2-3700 et seq.](#)
2. Commissioners shall disclose all meetings by reporting them verbally at the next Planning Commission meeting at the "Commission Disclosure" section of the agenda; such disclosures shall include whether the matter is a conflict of interest or a personal interest for the Commissioner, pursuant to [Virginia Code Section 2.2-3100 et seq.](#)
3. The purpose of such meetings is limited to fact finding and clarification for all parties.
4. Commissioners shall not make a commitment of their voting intent in such meeting.
5. Commissioners are encouraged to contact the Department of Planning and Zoning staff prior to such meetings to gather facts about the application. The staff will attend such meetings if requested by the Commissioner.
6. Any information received by an individual member, whether in person, by telephone, in writing, or by electronic mail, that is relevant to any application pending before the Commission should be forwarded promptly to the Planning and Zoning Director for distribution to the entire Planning Commission.

As used in this section, the term "public" does not include persons employed by the Town of Vienna or elected or appointed to any seat on the Vienna Town Council or Planning Commission.

B. Avoidance of "Meeting" When Commission Members are not Assembled.

1. The Freedom of Information Act statute, [Virginia Code Subsection 2.2-3707\(B\)](#) states, in part, that "no meeting shall be conducted through telephonic, video, electronic, or other communication means where members are not physically assembled to discuss or transact public business." Therefore, all electronic communications, except as defined below, between Planning Commissioners and/or Planning and Zoning Department staff shall be one-on-one to avoid a public meeting.
2. Exceptions
 - a. Any two Planning Commissioners may communicate with one another by email, telephone, or other means of electronic communication.
 - b. Staff may send information to the Planning Commission collectively in an electronic format. However, to avoid the impression of a public meeting, Planning Commissioners should reply only to the originator or the Planning and Zoning Department Director (or their designee) in an electronic format.

If a quorum call or comments are requested from Commission members, staff will request that individuals respond only to the originator and not to the group and Commission members will not use the "Reply All" function.
