

October 9, 2026

The following summary contains various incidents of general interest as well as vehicular crashes handled by the Town of Vienna, Virginia Police Department, **from October 2, 2026 to October 8, 2026**. Readers are reminded an "arrest" is based upon probable cause and does not always mean someone was physically taken into custody. Furthermore, it does not mean an individual is automatically guilty of a crime. Judicial outcomes and post-arrest proceedings can be researched through the appropriate court's website.

THE VIENNA POLICE HIGHLIGHTS ARE NOT MEANT TO BE A LISTING OF EVERY INCIDENT OR CALL handled by the Vienna Police, but merely a more substantive summary of several incidents, that may be of interest to the community. Some reports may be outside the date parameters due to extended investigations or other circumstances. Some cases are not included at all due to ongoing investigations.

October is National Cybersecurity Awareness Month!

A timely reminder that cyber threats are evolving rapidly. Stay informed and practice good cyber hygiene to lower the risk of being hacked. Here are a few proactive ways you can protect yourself:

- **Create strong, unique passwords:** 15+ characters of mixed-case letters, numbers, and symbols.
- **Enable Multi-Factor Authentication (MFA)** – SMS codes, authenticator apps, passkeys, etc.
- **Stay alert to scams:** Be alert to messages urging immediate actions by impersonating banks, or government agencies, or offering deals “too good to be true.” Avoid clicking links and opening attachments in unsolicited emails or texts.
- **Monitor accounts and credit reports:** Set up alerts for unusual activity and review bank statements and credit reports frequently.
- **Limit personal information online:** Avoid oversharing details online that can be used for identity theft and adjust privacy settings on social media.
